**RULES**

**The Rules of the Delaware County Fair Open Class Dairy Show are based on the rules as provided by the Iowa State Fair. Any questions arising in regards to the rules will be determined and decided based on these rules and the determination of the Delaware County Fair Society Board of Directors will be final.**

1. General rules, regulations and health requirements in the Open Class Livestock Premium Book apply in this department. In case general rules conflict with Dairy Cattle Department general or special rules, the latter shall govern. These rules can be read at <http://www.iowastatefair.org/competition>
2. Entries may be made on forms available online at [www.delawarecofair.com](http://www.delawarecofair.com). Complete entry form and return it with **full payment** of all fees to: Delaware County Fair, P.O. Box 243, Manchester, Iowa 52057. No entries accepted without payment.
3. **ENTRIES MUST BE POSTMARKED ON OR BEFORE JULY 3. Only the first 130 entries will be accepted.**
4. Each exhibitor, as a requirement for entry, will pay an entry fee of \$6 per animal, **Entry Fee must accompany entry or it will be returned.**
5. **All exhibitors will be expected to pay gate admission. No exhibitor passes will be issued. Exhibitors may enter from 1:00 p.m. - 5:00 p.m. Saturday**
10. Substitution of animals entered will be permitted within and outside a class.
11. **Health papers will be collected and checked by the clerk at 6:30 p.m. - 8:30 p.m. Saturday. You must have papers unless inspected at 4-H show. Must be in exhibitor's name and must have Delaware County Fair listed as destination.**
12. **All animals must be stalled. No cattle are to be kept in trailers.** The Dairy Cattle Superintendent can reassign stalls based on entries and available space.
13. **Must use wood shavings for bedding. No straw. Shavings available for sale on site.**
14. Farm Displays are encouraged but may be limited if stalling space is not available.

**SHOW RING CODE OF ETHICS**

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the various dairy breed associations to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, the Purebred Dairy Cattle Association, the Iowa PDCC and the Iowa State Fair believe that it is in the best interest of the breeders of registered dairy cattle to main-

tain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring.

It is recognized there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural and normal condition.

Conversely, the following practices or procedures are considered unacceptable in the show ring of cattle.

A. The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the show ring of registered cattle:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally, with an irritant or counter-irritant, or other substance to artificially improve the conformation.
3. Surgery or insertion of foreign matter under the skin, performed to change the natural contour of appearance of the animal's body, though not to preclude practices required or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the breed or the show.

B. Setting teats or manipulating a teat or alter its normal position such as to unnaturally hold it plumb or to alter its length is unacceptable and shall be given slight to serious discrimination by the judge.

C. The following practices and procedures are considered to detract from the image of the show ring when carried to excess and will be given slight to serious discrimination in placing within class.

1. Excessive manipulation of hair.
2. Use of artificial hair except for false switches.
3. Unsportsmanlike conduct on the part of show person.

D. The following practices should be encouraged to enhance the image of the show.

1. Establish uniform dress code for exhibitors in the show ring.
2. Recognize good herdsmanship and exhibits in the barn.

In keeping with the basic philosophy of the PDCA, ethics are an individual responsibility of the owner of each animal shown.

**Violation of the Show Ring Code of Ethics will result in disqualification of the animal. The exhibitor may also be banned from showing in future years.**

### **SPECIAL BREED RULES**

**Ayrshire** - GR prefix and above animals are eligible to be shown.

**Brown Swiss** - All Brown Swiss animals registered in the official herdbook with six digit registration numbers are eligible to show. Step II IE Identity Enrollment animals which have a 379 plus six digit registration number or

step 2 of the IE program may also be shown.

**Guernsey** - GR prefix and above animals are eligible to be shown.

**Holstein** - Animals that are 87% registered or higher are eligible to be shown.

**Jersey** - GR prefix and above are eligible to be shown.

**Milking Shorthorn** - Any animal that has official herdbook registry papers (seven digit number with suffix codes - no prefix codes.) issued by the American Milking Shorthorn Association and (has any black hair cannot be shown at any show), including field days. Upgrade animals in the third generation are eligible to be shown.

**Must show proof or registration/eligibility.**

## DAIRY PARLOR

A milking facility will be available during the Fair. The sale of milk will go to help defray cost of operating the dairy show.

Do not offer milk for sale from cows treated with any antibiotics. Random sampling of cattle will occur to check for antibiotic residues.
